**NOTES**

Vision 2006 – 2007	Our Toastmaster’s year has been christened with the theme “ <b>Transformation in ACTION!</b> ” The theme is very appropriate as members join and stay with Toastmasters because they are looking for a positive change in their lives. They want to improve their communication and leadership skills and improve their social and business network. In order to manifest these changes, aspirations must be put into action.
Purpose of meeting	The purpose of the meeting was to: <ul style="list-style-type: none"> <li>• Inform the District membership of the current District Status</li> <li>• Approve the appointment of District Officers</li> <li>• Adopt the alignment of Clubs/Areas/Divisions</li> <li>• Hear the report of the nominating committee and elect incoming District Officers</li> <li>• Hear the report of the Audit Committee</li> </ul>
Call to Order	District Sergeant-at-Arms Kevin Ong called the meeting to order at 2:09 p.m. The SAA read the District Mission and introduced the meeting Chair, District Governor Kathleen Wong. Our Chair gave the welcome and introductory remarks and thanked all present for their attendance.
Credentials Committee Report	Credentials Committee Chair Ralph Williamson reported that 317 clubs were eligible to vote with a total of 634 ballots. A Quorum of one-third or 212 ballots is required. 248 club ballots were issued for the meeting as well as 54 District Executive ballots. The total number of ballots issued for the meeting was 302. The simple majority of votes are 152 with a two-thirds vote of 202. Motion to adopt the Credentials report was made by Harold Usher, Thames Valley Toastmasters, Club 3726. The motion was seconded by Brian Robinson, Liberty Village, Club 2343. Motion to accept the Credential Committee Report was carried.
Adoption of the Agenda	Motion to adopt the agenda as distributed was moved by Paul Nicholls, Simcoe Shores, Club 704523. The motion was seconded by Iona Rodricks, Meadowvale Toastmasters, Club 585043. Carried.
Approval of Meeting Minutes November 4, 2006 District Council Business Meeting	A request for an amendment to the minutes of November 4, 2006 was made by District Governor Kathleen Wong. Under “Purpose of the Meeting” a motion made to change the fourth bullet point to read “International Candidate Confirmation. Vote on the District 60 Candidate for International Director.” Under “Announcements” our District Governor made another motion to amend the results of the vote for District 60 Candidate for International Director. Due to an error in the ballot count at the business meeting on November 4, 2006, the results were corrected and announced at the Governor’s Ball the same evening as Joan Binetti: 175 votes, John Rich: 122 votes. Joan Binetti remains the District 60 Endorsed Candidate. As suggested by Toastmasters International, District Governor took this opportunity to clarify the definition of “Endorsed Candidate” quoting Toastmasters International (TI) policies and procedures as “This endorsement in NO way implies that any delegate(s) must or will vote for that candidate other than in support of a nominee from their District. No District Council shall vote on any resolution to endorse or officially support any candidate.” District Governor also showed the proxy Club Presidents received from TI and explained the proxy process “Any Club, if not represented in the Regional Conference by a delegate or alternate from its own membership, may designate as its proxy the Club’s current District Governor OR any active member of any other Club in that region”. Under “Announcements”, Harold Usher, of Thames Valley, Club 3726, made a motion to change the wording to “Joan Binetti stands as the District 60 Endorsed Candidate for International Director”. A motion to accept the minutes with amendments and corrections was made by Peter James, Risky Business, Club 5139. The motion was seconded by Fely Ragudo, Nissan Toastmasters, Club 681269. One opposition is noted. Carried.

A motion was made by District Governor Kathleen Wong to approve Brian Robinson's official appointment to the position of District 60 Lt Gov. Marketing. <p>Audit Committee Report          July to December, 2006</p>	<p>Trevor Carew, Chair of the Audit Committee, thanked his committee and filed a certified report for the period July 1 to December, 31, 2006.</p> <p>The Audit Committee Chair indicated that the scope of the audit included verification of bank reconciliations, deposits, disbursements and book store inventory. He verified there was no co-mingling of funds. He indicated that all documents were made available by the Treasurer for review on time and that all questions asked of the Treasurer were answered satisfactorily.</p> <p>An explanation of variances to budget was provided. Funds available exceeded income (\$5,000) mostly due to the fall conference revenue being greater than planned. Marketing expenses are 92% of plan. Most costs are for marketing supplies from TI which were less expensive due to discounts given to District 60. PR expenses exceeded budget by 10% primarily due to higher than expected newsletter mailing costs caused by the issue being overweight with business mailings inserted for voting officers. Education expenses are 50% of budget (\$3,700 lower) due to delays in the printing of "6 Speech" certificates and Distinguished Plan initiatives. Admin costs are \$4,000 less than budget due to District badges being less than budget and the expense for District Stationary not yet incurred (budgeted for ordering ahead for incoming officers 2007-2008, will incur closer to year-end). Travel costs are 75% of plan (\$3,500 lower) due to lower Intra-District travel costs and delays in submitting expenses. Other expenses are lower than budget by \$1, 000 due to a decrease in bookstore inventory and the deposit for the Fall 2007conference not yet been paid.</p> <p>A motion to accept the audit committee report as presented was made by John Rich, Thornhill Toastmasters, Club 8517. The motion was seconded by Sharon Li, Bombardier Speak Easy Club, Club 8374. Carried.</p>
